

To Whom It May Concern:

I called Warren from 'Coastwide' on the morning of my day off, after I had forgot to book a carpet cleaner - Unfortunately, it HAD to be done that day. Warren was happy to re-schedule and arrived within 3 hours of my call! Nothing seemed too much trouble and he was finished in an hour & for a very reasonable rate. I was so impressed with the job, I had him clean our 6 dining chairs too - which, we were prepared to completely recover - But now they look like new again! I would have no hesitation in recommending Warren from Coastwide, for any service he provides. In fact, I have already re-booked him to perform a pest control spray within the next week.

Kind regards,
